

**Short Paper 3 Assignment**

*Due Date: 6/4/2021 Before Class*

1. Descartes argued that mind and body are really distinct, a thesis that is usually called “mind-body dualism”. Do you agree with him? State your answer and defend it with convincing arguments.
2. Length: 500-1000 words, no more than 1000.
3. Due date: 6/4/2021 before class.
